

**Directions from Stone Mountain, Snellville and such, east of Atlanta:**

Go towards Atlanta on I-20 west and merge onto I-285 south going around metro Atlanta on the south side. Stay on I-285 some 18 or 20 miles, passing I-75. About the point you can get on I-85, don't. Instead choose **Exit #62** just beyond I-85 that will say "Old National Hwy" & "South Fulton Parkway". Stay in the lane you used to exit I-285 which will become the South Fulton Pkwy. Go some 16 miles on the SF Pkwy (also named the "Bill Melear Pkwy") to the crossroads with Cochran Mill Rd. **Turn left off the SF Pkwy & go about 1 mile to the first road on your left, Wilkerson Mill Rd. Turn left onto WM Road & the nursery is the first entrance on your left after you cross the bridge.**
